

Application for Approval of Major Change to Type Design

Guidance

These guidelines are designed to assist organisations in the completion of a Defence Aviation Safety Regulation (DASR) Form 31A for Approval of Major Changes to Type Design under DASR 21 Subpart D (Changes to Military Type Certificates and Military Restricted Type Certificates) and DASR 21 Subpart E (Military Supplemental Type Certificates (MSTC)).

Acceptable Means of Compliance and further Guidance Material is available within the relevant Subparts of the DASR and on the [Defence Aviation Safety Authority](#) (DASA) webpage which may assist with the application process.

About this form and application process

This DASR Form 31A is the official DASA application form to obtain Approval of a Major Change to Type Design or Issue of an MSTC under DASR 21.A.97 or DASR 21.A.115 respectively. This form is the final step in the application process and should be submitted in an application pack with the appropriate supporting evidence. In accordance with DASR 21.A.33(d) the DASA may request additional information from the applicant to support approval of this application.

The output of approval of a Major Change will be determined by the DASA and will either result in an amendment to the type certificate (as per DASR 21 Subpart D), or issue of an MSTC (as per DASR 21 Subpart E).

NOTE: For repairs, DASR Form 31B must be used.

Withdrawal of Application

An application can be withdrawn in writing at any time.

Privacy Policy

DASA requires the provision of information as listed in this form. All such information received will be treated as confidential and will not be disclosed to any third parties unless that disclosure is required or authorised by law. DASA will safeguard personal information however, please be aware that DASA policy is to publish approved artefacts, ie MSTCs and Type Certificate Data Sheets, on its website.

Form Submission

Applicants are to complete and sign the form electronically and submit to the DASA Type Certification group mailbox via the 'Submit Form' button.
