AVIATION MAINTENANCE SUPERVISION & CERTIFICATION PRESENTATION RELEASE

DASA held a two-hour seminar on the topic of Aviation Maintenance Supervision & Certification on Fri 07 Jun 24, and also Thu 13 Jun 24. This seminar described principles of maintenance Task Sign-Off and Certification detailing maintenance authorisation options and supervision requirements within a DASR 145 as provided in the attached presentation.

The presentation is released to the Aviation Safety Community for reference and guidance where organisation approval holder Managers and Supervisors are seeking to optimise utilisation of available aircraft maintenance staff.

The presentation can be accessed via [this link](#).

Further clarification may be sought directly through the DCAQ-DASA Continuing Airworthiness team, should you require further advice.
