

DASR FINDING SYSTEM TOWN HALL BRIEFING

DASA advised the Aviation Safety Community on 21 May 24 of changes to the DASR Finding System as a result of internal review in pursuit of continuous improvement. The changes included updated Findings definitions and improved management mechanisms. DASA will hold a virtual 'Town hall' style briefing on Wednesday 28 August 24 from 1400-1500 AEST that will provide greater detail of the changes and outline expectations of Aviation Safety Community in completing DASR Form 1299 – DASR Finding.

Attendance will be highly valuable for Commanders and Managers involved in Finding management across all DASR domains.

The briefing will be held on Microsoft Teams and can be accessed via this [link](#).
