

## DASA Safety Management Systems Regulation Town Hall Briefing Reference Material

On Tuesday 23 Sep 2025, DASA held a 'Town hall' briefing providing details and updates to the status of Safety Management Systems regulation release. The brief outlined current development of DASR SMS and supporting artefacts in preparation for release in Feb 2026. Furthermore, the brief outlined expectations of the Defence Aviation Safety Community (DASC) during transition to, and implementation of, the new DASR SMS in Feb 2027.

As a follow up to the briefing, DASA provides the following material as a reference source to the DASC:
