

Notice of Proposed Amendment for DASR Change Proposal 0005 *DASR 139—Aerodromes*

DASA wishes to advise that the Notice of Proposed Amendment (NPA) for DASR Change Proposal 0005 (DCP-0005) is now published for *DASR 139—Aerodromes*.

DASA welcomes responses from the Defence Aerodromes community by close of business **Friday 15 May 26**, to allow the proposal's incorporation into the February 2027 DASR release.

DCP-0005 proposes the amendment of the DASR 139 Part, Acceptable Means of Compliance (AMC) and Guidance Material (GM), to:

- clarify certification and operational requirements for Defence Aerodromes that are used by both civil and military aircraft
- clarify requirements for operating Aerodromes that are awaiting DASR 139 certification
- improve the DASR 139 structure and scope to address regulatory deficiencies identified by DASA and the Defence Aerodromes community
- expand AMC and GM to support DASR 139 compliance and the Aerodrome certification process.

The NPA is available on the [DASA NPA Internet page](#).

The Point of Contact for this NPA is WGCDR Karen Titmuss – Deputy Director Air Navigation Service Providers & Aerodromes (DAVNOPS-DASA) at (02) 5108 6821, or karen.titmuss@defence.gov.au.
