

## 2026 ADF Propulsion Systems Symposium - Notice of Cancellation

DASA advises that the 2026 ADF Propulsion Systems Symposium, scheduled to be held on 19-21 May 2026, has been cancelled.

Due to the impact of ongoing global events and associated considerations around fuel and air travel at this time, DASA has, with regret, determined that it is not feasible to proceed with the Symposium as planned.

This will not transition to a virtual event.

Thank you for your understanding.
