

Notification of pausing DASA funded training courses

DASA remains committed to providing training and professional development opportunities that support the Defence aviation and space community. As part of ongoing resource prioritisation activities across the organisation, we regret to inform you the following courses have been paused as DASA funded and delivered until further notice:

- Aircraft Structural Integrity Familiarisation Course (217809)
- Aviation Software Certification Intermediate Course (217285)
- Aviation System Safety Theory (Level 2) (217517)
- Aviation System Safety Application (Level 3) (217545)
- DO326A – Airworthiness Cyber Security Training Course (219045)
- E-3 Management for Designers Course (110053)
- E-3 Management for Maintainers Course (110054)
- EMAR Compliance Verification Engineer (CVE) Roles and Responsibilities Course
- Helicopter Structural Engineering Familiarisation Course (215483)
- Propulsion Systems Engineering Course (200924)

Personnel who have been nominated and/or panelled to attend any of the above courses will be advised of the course cancellation via email.

Defence business areas that wish to undertake any of the above training courses at their own cost, can access them through the Survey & Quote (S&Q) provisions within the DASA Strategic Support Contract (SSC).

Queries regarding the SSC S&Q training requests should be directed to the QinetiQ SSC Team group mailbox: ssc@qinetiq.com.au

DASA apologises for any inconvenience caused and appreciates your understanding.
