

Notice of Proposed Amendment – DASR ARO.100 Military Air Operator Certificate

DASA wishes to advise of the publication of Notice of Proposed (DASR) Amendment (NPA) 0066/2026 for DASR ARO.100 *Military Air Operator Certificate*, for external consultation.

DASA welcomes responses from the Defence Aviation Safety community by close of business Friday 16 Oct 26, to allow the proposal's incorporation into the March 2027 DASR release.

NPA 0066/2026 proposes the amendment of DASR ARO.100 Part, Acceptable Means of Compliance (AMC) and Guidance Material (GM), to enhance the effectiveness of:

- a. DASA's and MAOs' regulatory compliance and change management oversight during DASR amendments
- b. DASA's ability to provide regulatory compliance feedback on modified MAO OIP ahead of the OIP's release, thus proactively improving Aviation Safety.

The NPA is available on the [DASA NPA](#) internet page.
