**INSTRUCTIONS FOR COMPLETING NUMBERED FIELDS:**

*Fields should be completed digitally where possible.*

- III Member's PMKeyS number (ADF/APS members) or CASA ARN (other members).
- IV Full name with family name capitalised. If name contains non-Roman script, include the name transcribed into Roman script in brackets after. Examples:  
张伟 (ZHANG Wei)  
John Robert SMITH
- IVa Format dd Mmmmm yyyy. Example 01 January 2001
- VI Use country of primary eligibility if not AUSTRALIAN
- VII Signature of holder. If the DoSA will sign electronically, this should be an electronic signature affixed before sending the template to the DoSA for signature. If the DoSA will sign physically, this must also be a physical signature and may be added before or after the DoSA signs.
- X DoSA signature. Electronic is preferred, otherwise wet blue or black ink. If ink is used, DoSA's full name should be printed below the signature. Do not amend the remaining text.
- XIII Leave as "Nil" unless specifically directed by the DoSA.
- XIV Format dd Mmmmm yyyy. Example 01 June 2025. Date is the date of signature of the DoSA. If field X is hand-signed, this date should be hand-written by same hand/same pen/same time.

**PRINTING INSTRUCTIONS:**

1. Print page 1 only.
2. Designed to print on A5 paper. Do not vary in software – use printer controls to override to A4 without scaling if required.
3. Print on certificate paper where available.
4. If signing electronically, electronic copy is the master copy. Print with digital signatures in place. If signing physically, printed copy is the master copy. Scan the physically signed copy.
