Air Navigation Service Provider – Accountable Manager Supporting Staff Course

Course Code

218084

Course duration

1 Day

Course Content

The Air Navigation Service Provider (ANSP) – Accountable Manager Supporting Staff Course is designed to be delivered to staff who are appointed to assist and support the ANSP Accountable Manager (AM). The course is delivered by staff from DASA's Directorate of Aviation Operations using small group training sessions. The course focuses on in-depth roles and responsibilities designed to support the AM. This course will hold a sunset clause of one year for currency due to the need to maintain up-to-date information concerning changes in rules, regulations, processes and procedures. Attendees will have the course recorded under their PMKeyS qualifications.
