### DASR 139 Aerodrome Operator Supporting Staff Course

#### **Course Code**

217300

#### **Course duration**

1 Day

#### **Course Content**

DASR 139 Aerodrome Operator Supporting Staff Course is designed to provide education and training to Aerodrome Operator Staff on their responsibilities and accountabilities under DASR 139. The course provides an awareness of: a) organisational roles and responsibilities; b) key accountabilities; c) the pathway to organisational approval; and d) the process for achieving aerodrome certification. This course is intended to complement other DASR Aerodrome courses (e.g. DASR 139 Aerodrome Certification Practitioners Course) by providing additional information on support staff responsibilities and accountabilities.

#### **Course Pre-Requisites**

Students will benefit from having looked at the DASR 139 Regulations and AC004/2020 Transition to DASR 139 Aerodromes

#### **Target Audience**

Aerodrome operators and any supporting staff.

#### **Class Size**

#### **Please Note:**
