

Defence Aviation Safety Authority

DASR.139 Certification Practitioner Course

Course Code

217563

Course duration

1.5 Days

Course Content

DASR 139 Aerodrome Certification Practitioner Course is designed to provide training to personnel who are responsible for and are involved in achieving initial certification of Defence aerodromes and maintaining the certification over the life of the aerodrome. Personnel who attend this course will be provided with the knowledge and skills required to undertake aerodrome certification activities. This course is intended to compliment the DASR 139 Aerodrome Supporting Staff Course by providing additional information on aerodrome certification activities.

Course Pre-Requisites

Students will benefit from having looked at the DASR.139 Regulations and AC004/2020 Transition to DASR.139 Aerodromes

Target Audience

Aerodrome Operators (AD OPRs) across Navy, Army and Air Force and their support staff who are involved in aerodrome certification activities. This course is also relevant to S&EG staff who support aerodrome infrastructure across Defence.

Class Size

Please Note:

These courses are in high demand and each session will be closed as soon as the maximum number of participants (5 - 25 for each session) is reached.

Sessions

- **Session: #0023**
 - **Date:** 27-28 Nov 2024
