

Summary of Information and Updates released by DASA: Dec 21-Feb 22

DASA wishes to advise that the following releases and updates are available to the regulated community via the DASA Internet site:

- The [Aviation Safety Policy Roadmap](#) information has been updated.
- On 11 Jun 2021, Chief of Air Force approved a restructure of the Defence Aviation Safety Authority (DASA). The restructure will take effect on 01 February 2022 as described within DEFGRAM 567/2021.
The attached brief provides a high level organisational view of the new organisational structure, lists key features, describes benefits of the change and contains a Directorate Map that shows key areas within each Directorate:

[DASA Restructure Brief - 2022](#)

The [About Us](#) page also provides additional information pertaining to the DASA Organisation.

- [Advisory Circular 008/2021 - Interim arrangements for MAML discrepancies resulting from PMKeyS proficiency errors](#) has been released.
- [Advisory Circular 007/2021 - Master Minimum Equipment List \(MMEL\) and Minimum Equipment List \(MEL\) Development and Approval](#) has been released.
- The [Military Aircraft Type Ratings](#) factsheet has been released.
