

## ***Changes to the Structure of Defence Aviation Safety Policy – Update 2***

The Defence Aviation Safety Program Manual came into effect on 01 Sep 22 and is published within the new [DASP Policy and Guidance Portal](#) (PGP). The PGP also incorporates Advisory Circulars, Factsheets and other material within the scope of the DASP, making it easy to search across a variety of documents in a single step.

Director General DASA has prepared a short video explaining the background, rationale and effect of the recent changes to the structure of Defence Aviation Safety Policy. The video can be viewed [here](#).

Further information is available in [Advisory Circular 003/2022 Changes to the Structure of Defence Aviation Safety Policy](#).
