

Notice of Proposed Amendment 2023-002 – DASR ‘Non-Technical Skills (NTS)’

This Newsbreak is to advise that DASA has published DASR Notice of Proposed Amendment (NPA) 2023/002 for DASR Non-Technical Skills (NTS) for external consultation.

DASA welcomes responses from the wider Defence aviation community by close of business Friday 8 Sep 23, to allow the proposal’s incorporation into the Feb 24 DASR release.

NPA 2023/002 proposes the introduction of a new DASR NTS Part to replace DASR AIRCREW.55, and which has improved Acceptable Means of Compliance (AMC) and Guidance Material (GM), to:

- address a DASA-identified shortfall in Defence NTS operations regulation
- align DASR with best practice National Aviation Authority (NAA) and Military Aviation Authority (MAA) NTS regulation
- enhance aviation safety in NTS operations.

The NPA can be found on the DASA NPA [internet page](#).

The point of contact for this NPA is WGCDR Malcolm Walker – DD FLTOPS (DAVNOPS-DASA) at 02 5130 7959, or malcolm.walker@defence.gov.au.
