

## 2024 ADF Propulsion Systems Symposium (APSS) Registrations and Call for Presentations Open

DASA is pleased to announce that registrations are now open for the 2024 ADF Propulsion Systems Symposium (APSS) to be held on the 21<sup>st</sup>, 22<sup>nd</sup> and 23<sup>rd</sup> of May 2024. In 2024, the Symposium will be hosted at the Cliftons Freshwater venue, located in Southbank, Melbourne. An optional Pre-Symposium tour of the Defence Science and Technology Group site at Fishermans Bend and evening Welcome Event are planned on the 20<sup>th</sup> of May 2024.

The APSS is the only dedicated forum for military propulsion systems in Australasia, aiming to develop and promote partnerships and networks amongst professionals in the aero-propulsion industry.

The theme for the 2024 ADF Propulsion Systems Symposium, “*Cultivating Excellence in Propulsion Systems Integrity Programs*”, promises an informative exploration of how Propulsion Systems Integrity Programs (PSIPs) within Defence can be tailored and shaped to achieve optimal safety and capability outcomes.

Further information can be found on the [DASA Events page](#), including:

- [2024 APSS Flyer](#)
- [2024 APSS Registration Form](#)

Registrations close on the 26<sup>th</sup> of April 2024. The Symposium is sponsored by the Propulsion Systems Integrity (PSI) section of the Defence Aviation Safety Authority and the Air Domain Centre within the Capability Acquisition and Sustainment Group.
