

DASA Connect Webpage Now Live

DASA wishes to advise that an intranet webpage titled “DASA Connect” has been developed. The webpage will contain DASA media, including podcasts from personnel in the Defence Aviation Safety community.

Over time we hope to establish safety based links and stories designed to enhance collaboration and engagement with flying units, civilian organisations, industry and regional partners to foster improved aviation safety outcomes. A complementary webpage will also be established for the DASA Internet site. If personnel wish to contribute stories, podcasts, experiences and information please email to - DASA Safety Promotions <dasa.safetypromotions@defence.gov.au>.

The Intranet webpage can be found by going to the link below.
