Release of the Military Type Certificate Holder (MTCH) Obligations Course

DASA wishes to advise that the MTCH Obligations course has been released with sessions now available in 2021.

This course is designed to provide training to personnel who are responsible for and are involved in the execution of MTCH functions. Personnel who attend this course will be provided with the knowledge and skills required to understand the MTCH role in ensuring the continued airworthiness of ADF Platforms.

The course will be delivered virtually for 2021.

For further information, including nomination requirements, please refer to the following link:
