

## ***Notice of Proposed Amendment 2022-018 – DASR ‘Defence Navigation Approvals’***

This Newsbreak is to advise that DASA has published DASR Notice of Proposed Amendment (NPA) 2022-018 for DASR *Defence Navigation Operations* for external consultation.

DASA welcomes responses from the wider Defence aviation community by close of business Wednesday 13 Sep 23, to allow the proposal’s incorporation into the Feb 24 DASR release.

NPA 2022-018 proposes the introduction of a new DASR SPA.50 Part, Acceptable Means of Compliance (AMC) and Guidance Material (GM), to:

- address a DASA-identified shortfall in Defence navigation approvals regulation
- align DASR with best practice Civil Aviation Authority (CAA) and Military Aviation Authority (MAA) navigation approvals’ regulations
- enhance aviation safety in Defence navigation approvals.

The NPA can be found on the DASA NPA [internet page](#).

The point of contact for this NPA is WGCdr Malcolm Walker – DD FLTOPS (DAVNOPS-DASA) at 02 5130 7959, or <mailto:malcolm.walker@defence.gov.au>.
