

## 2022 ADF Propulsion Systems Symposium (APSS) Registrations and Call for Presentations Open

DASA is pleased to announce registrations and call for presentations are now open for the 2022 Australian Defence Force Propulsion Systems Symposium (APSS) to be held on 22 - 24 November 2022 at Defence Plaza Melbourne.

The APSS is the only dedicated forum for military propulsion systems in Australasia and is an excellent opportunity for organisations and personnel in the aviation propulsion system and gas turbine community to meet and share their knowledge, experience and lessons learned. As such, OEMs, industry partners, foreign military personnel, Commonwealth employees and related parties are all invited to attend and provide presentations.

The 2022 Symposium is centred around the main purpose of: Discussing Issues, Improvements, and Changes in the Propulsion Systems Integrity Environment.

Further information is available on the [DASA Events page](#) including:

- [ADF Propulsion Systems Symposium 2022 flyer](#)
- [Symposium Registration Form 2022 – Defence Members](#)
- [Symposium Registration Form 2022 – Non-Defence Members](#)

This symposium is sponsored by the Propulsion Systems Integrity (PSI) section of the Defence Aviation Safety Authority.
