Aviation Accident WHS Manual – Change Update

DASA wishes to advise that The Defence Aviation Accident Work Health and Safety Manual, incorporating major changes, will appear online for review until the 30th of Nov 2020. This manual contains Defence-approved corporate policy, procedures and guidance to be used by Defence personnel and emergency agencies involved with WHS planning, management and response to any ADF aviation accident, incident or safety event.

The link below (Next version for review), provides access to the full draft version of the document and a summary of changes. Please direct questions or feedback to DFSB (dfsb.registry@defence.gov.au), annotate AAWHSMAN Sponsor – Change Update.

For further information, please refer to the following links:
