

Release of DASA UAS Form 151

DASA wishes to advise the release of a new UAS Form - *Form 151 - Notification of upcoming UASOP submission*.

Applicants should first complete the new Form 151 when applying for an Uncrewed Aircraft System Operating Permit (UASOP) for Specific Type A Category UAS operations.

The Form 151 provides the initial notification to DASA of the requirements for a UASOP and provides early guidance to an applicant on the UASOP application process and requirements.

This form is the first of three UASOP required forms, detailed below in the correct submission order:

Form Number	Description
Form 151	Notification for upcoming UASOP submission form.
Form 152 (previously 151)	Application for UAS Operating Permit. <i>This form can be submitted to DASA when an applicant is ready to submit the supporting evidence for a UASOP along with a Form 153.</i>
Form 153	Uncrewed Aircraft System Operating Permit.
