Release of Factsheet – Leveraging prior Certification

DASA wishes to advise that the ‘Leveraging prior Certification’ Factsheet has been released.

This Factsheet applies to applicants for certification instruments that intend to leverage prior certification from a recognised National Airworthiness Authority / Military Airworthiness Authority (NAA / MAA) and gain relief from developing compliance demonstration evidence. This factsheet provides guidance on the requirements associated with leveraging prior certification, and what to do if the prior certification can only be partially leveraged.

To access this Factsheet, click [[Leveraging prior Certification](#)] or visit the [DASA Factsheet web page](#)
