Defence Aviation Safety Authority – Continuing to Provide Aviation Safety and Regulatory Services during CoVid-19 Pandemic

During the CoViD-19 pandemic, DASA will continue to provide aviation safety and regulatory services. This includes undertaking investigative and assurance functions, issuance of airworthiness instruments and the provision of SME advice to the Defence aviation community. Face-to-face training is currently suspended however DASA is investigating the use of on-line platforms and will provide updates when training becomes available.

DASA Contact details are as follows:
