

DASA Contact Us Webpages

DASA wishes to advise improvements to how the Regulated Community can contact DASA in order to streamline communications.

1. DASA has a central Registry - dasa.registry@defence.gov.au. The [DASA Registry](#) is the primary contact point or communication method for the receipt and dispatch of official correspondence and nominated products into and out of DASA. This ensures documents are appropriately registered, tracked and passed to the correct appointment/s.
2. [DASA Function Group Mailboxes](#) have been refined. Please use these mailboxes for direct line of enquiry with DASA.

Please refer to the DASA *Contact Us* Webpages to determine the correct group mailbox in order to streamline your communication with DASA.
