Capability First, Safety Always

## ***Notice of Proposed Amendment 2024-001 – DASR ‘Air Displays’***

This Newsbreak is to advise that DASA has published DASR Notice of Proposed (DASR) Amendment (NPA) 2024/001 for DASR SPA.30 *Air Displays*, for external consultation.

DASA welcomes responses from the Defence aviation community by close of business Friday 20 Sep 24, to allow the proposal’s incorporation into the Feb 25 DASR release.

NPA 2024/001 proposes the amendment of the DASR SPA.30 Part, Acceptable Means of Compliance (AMC) and Guidance Material (GM), to:

- address a DASA-identified shortfall in Defence Air Display regulation
- align DASR with best practice Civil Aviation Authority (CAA) and Military Aviation Authority (MAA) Air Display regulation
- enhance Aviation Safety in Air Displays.

The NPA can be found on the DASA NPA [internet page](#).

The point of contact for this NPA is WGCDR Bruce Collenette – DD FLTOPS (DAVNOPS-DASA) at 02 5130 4757, or [bruce.collenette@defence.gov.au](mailto:bruce.collenette@defence.gov.au).
