AVIATION AUTHORITY RECOGNITION SEMINAR - 15 FEB 24

DASA will hold a two-hour seminar on the topic of recognition of aviation authorities, both civil and military, from 1400 -1600 AEDT on 15 Feb 24. The seminar will describe principles of recognition of an aviation authority in a general sense before going deeper into the application of recognition to the regulation and management of airworthiness. Recognition provisions specific to flight operations are outside the scope of this seminar. A panel session at the end of the seminar will provide an opportunity for questions and discussion.

Attendance will be valuable for applicants for, and holders of, DASA authorisations that leverage the oversight of other aviation authorities.

The seminar will be held online and can be accessed via [this link](#). Attendees may submit questions in advance to dasa.recognition@defence.gov.au NLT 12 Feb 24.
