

Defence Aviation Industry Partners – Invitation to join the 2024 Snapshot Survey Program

If you are a Defence Aviation industry partner, and your organisation is interested in participating in the 2024 Snapshot Survey, contact DFSB.Snapshot@defence.gov.au.

Expressions of interest close Monday 18 March 2024.

What is the Snapshot Survey?

The Defence Flight Safety Bureau (DFSB) Snapshot Survey is administered annually across Defence Aviation. The survey captures information on a broad range of factors affecting the safety, performance and health of participating workgroups. Snapshot has proven to be of genuine value to commanders and senior managers, and continues to be a key sensor in the safety climate and human systems domains.

This year the Snapshot Survey will be conducted online between 22 April and 19 May 2024.

DFSB is committed to maintaining the trust of participating organisations with strict confidentiality and data management provisions observed at all times.

For more information, see the [Snapshot Survey website](#) (DPE Only) or contact DFSB.Snapshot@defence.gov.au.
