

## **CANCELLATION OF ADVISORY CIRCULAR 008/2021 – INTERIM ARRANGEMENTS FOR MAML DISCREPANCIES RESULTING FROM PMKEYS PROFICIENCY ERRORS AND SUSPENDED MAML LIST UPDATE**

DASA advise that Advisory Circular 008/2021 - *Interim Arrangements for MAML Discrepancies Resulting from PMKeyS Proficiency* has been cancelled.

DASA promulgated Advisory Circular 008/2021 to summarise the actions to be taken by DASR 145 Maintenance Organisations when MAML holders have discrepancies on their MAML resulting from PMKeyS proficiency errors. These actions include interim processes to follow when continuing to authorise MAML holders that have missing MEA Units of Competencies, as well as remediation to remove any MAML discrepancies.

All discrepant MAMLs have now been either remediated, exclusions added, inclusions removed, or suspended, enabling the cancellation of the Advisory Circular.

All DASR 145 MOs should ensure that they are aware of any suspended MAML prior to authorising certifying staff.

Refer to the [List of Suspended MAMLs](#) for more information.
