## **RELEASE OF NEW DASP MANUAL VOLUME 3 CONTENT AUTHORISATION OF NON-MAML STAFF AS CERTIFYING AND SUPPORT STAFF USING DASR GR.80 FLEXIBILITY PROVISIONS**

DASA has published DASP Manual Volume 3 Chapter 8.3.5 – *Flexibility Provisions for Maintenance Organisations*. This chapter provides guidance on the application of DASR GR.80 Flexibility provisions, where an operational need requires a DASR 145 Maintenance Organisation to authorise certifying or support staff who do not hold an appropriate Military Aircraft Maintenance Licence (MAML). This authorisation will usually be supported by the application of sound risk management – Annex A to Chapter 8.3.5 provides contextualised guidance for seven-step risk management.
